Dated this 16th day of January, 1940.

A. H. WYLLIE, *Secretary.*

SCHEDULE.

AMENDMENTS TO REGULATION No. 22 OF THE LIQUOR CONTROL BOARD.

1. By striking out clauses (d) and (e) of section 4 of the said regulation.

2. By striking out subclause (3) of clause (m) of section 4 of the said regulation.

3. By striking out paragraph (a) of subclause (5) of clause (m) of section 4 of the said regulation, and by substituting therefor the following:—

"(a.) At any time between 1 o'clock in the morning and 10 o'clock in the morning upon any day of the week."

4. By adding the following subclauses to clause (m) of section 4 of the said regulation:—

"(9.) Club members may keep liquor in individual lockers on the Club premises and may, when the Club has operated under the locker system for a period of not less than one year, on the written permission of the Board to the Club, pool their purchases, in which event the liquor so pooled may be left in the custody of the Club: Provided that the members of any Club shall not be privileged to pool liquor unless the Club premises be under the supervision of a club manager and house committee, which committee shall adequately represent the governing body of the Club; and also provided that the said Club is not the holder of any licence issued under the 'Government Liquor Act' other than a Club Licence.

"(10.) No Club shall sell any liquor from the said pool, but may serve same to the members of the pool and may make a reasonable charge for such service.

"(11.) The amount of such service charge shall not exceed an amount which the Board in its sole discretion may deem reasonable. In the event of any Club making a service charge which the Board deems unreasonable the Board may withdraw its permission for the operation of a pool in such Club.

"(12.) Clubs which shall have been granted permission to operate the pool system shall designate one or more of their members or employees as a purchasing agent or agents for the members of such pool, which designation must first be approved by the Board, and the person or persons so designated and approved may purchase liquor for such pool. A special form of permit to be known as 'Club Pool Permit' shall thereupon be granted and such permit shall authorize such person or persons to purchase liquor for such pool upon presentation of such permit to any Government Liquor Store.

"(13.) Members or guests of the Club shall not participate in the pool until they have contributed to same. Any member or guest desiring to join and participate in the pool shall make a contribution thereto. Such contributions shall be evidenced by a scrip-book issued to such member or guest. Scrip-books must be issued containing scrip of the value of \$2 and \$5 or \$10. No contribution to the pool shall be accepted in any lesser amount than the amount of the minimum scrip-book adopted by the Club. The scrip-books shall be numbered serially and shall be issued in regular order according to their serial numbers. In issuing the scrip-book the person issuing the same shall write upon the cover the name and Individual Liquor Permit number of the member or guest to whom the scrip is issued, also the date of issue, and shall make a record thereof.

"(14.) The Club shall instal and maintain proper records and a proper book-keeping system, and books of account showing all transactions connected with or incidental to the operation of such pool by the Club for the members of the pool. The Club shall also instal records which shall show the name and address of each person participating in the pool and the number of Individual Liquor Permit held by such person.

"(15.) All records, books, and accounts of the Club which can in any way affect or bear upon the operation of the pool by the Club for its members shall be open at all reasonable times to inspection and audit by the Board, whose agents shall be entitled to make copies thereof or extracts therefrom.

"(16.) Each Club on making application for permission to operate a liquor pool shall specify what portions of the Club premises are to be used for the storing of the pooled liquor."
